“Sanctified” – John 17:6-19

1. The chosen believe! (v.6-10)

2. The chosen are protected (v.11-15)

3. The chosen are sanctified (v.16-19)

Questions to discuss in our Growth Groups and personal reflection

1. The chosen believe!

Read John 17:6-10.

How can God “so love the world” (John 3:16) as well as saving people out of the world (see v.6)?

How do these verses show us that God chooses to save certain people?

Does that mean that there’s no point in telling people about Jesus, seeing as God knows who He has chosen?

2. The chosen are protected

Read John 17:11-15.

Why is God’s name powerful to protect his disciples?

Why did Jesus pray for protection for the disciples’:

- Unity (v.11)?
- Joy (v.13)?
- Purpose (v.15)?

Why can all Christians be confident of God’s protection of their lives? What does this mean for you today?

3. The chosen are sanctified

Read John 17:16-19.

How are Jesus disciples like him in both v.16 and v.18?

So, how would they stay pure and be effective in their mission (v.17, 19)?

How does meeting Jesus in the pages of Scripture sanctify us? Can you encourage each other with examples of how God is growing you in this way?
