## Questions to think and pray through this week

What was Martha's gripe in this story? What did Jesus say was the real issue in her heart?

What did Mary choose that was "better" in Jesus' eyes?

Why can even doing things for Jesus sometimes distract us from spending time with Jesus? What effect do you think this has on us?

Share together ways that you spend time with Jesus. Are there any new things you have done to refresh your relationship with him?  
Would you say that you are enjoying Jesus right now? Why/why not?

How can we as a church encourage each other to enjoy Jesus more, that we might learn from Mary's example?

Describe what a 'healthy' church might look like, in helping people grow a relationship with Jesus as well as encouraging people to serve him.  
How might we "Be fruitful, Not frantic"?
