Discipleship Growth Groups Tuesday 6 December

1. What does 'Advent' mean?
2. Read Luke 4:18- 19
3. What four specific needs did Jesus 'come' (advent) to meet?
4. Name specific occasions Jesus did that in his earthly ministry.
5. What of these specific needs do we have with us today?
6. How can we as a church help to meet those specific needs?
7. Jesus was 'anointed' for this ministry (verse 18). Do we need the anointing of God on our ministries? If so, why?
8. Read Psalm 27:1. What does light do for people? How can we bring light and hope to the people in our lives and community? (Read Matthew 5:16) Do we need to rekindle our light?
9. As advent means 'coming' how much does the second coming of Jesus feature in your thinking, behaviour, and outreach?
10. Pray now for our church and community as we approach Christmas in this advent season, that the hope and light of the Gospel will penetrate many lives.
