Think/talk about & pray through

- Where do you find your identity? Why is it tempting to listen to the world's opinions about who we are/should be?
- Would you say our church is more like a doctor's waiting room or an interview waiting room? How can we more freely share our struggles & support each other in Christ?
- What questions/struggles do you have in any of your relationships at the moment? Or which things are issues from 1 Corinthians 6:9-10? Who can you talk to & pray with?
- How does knowing that your body is a "temple of the Holy Spirit" give you value, but also responsibility?
- How can our church tell "a better story" than the world, & perhaps a better story than we've been telling up til now?

**YOU ARE THE LIGHT
 OF THE WORLD
 A CITY ON A HILL
 CANNOT BE HIDDEN.**
