Tuesday 7 June discussion

1. Read Daniel chapter 5 again to get the whole picture
2. In what ways can we promote ourselves and point to ourselves instead of pointing people to God?
3. In what areas can we lose restraint?
4. What is sacred? How can we disrespect the sacred?
5. Read I Corinthians 10:1-13. How can we learn from the past? In Daniel 5 verses 18-24, in what ways did Balthazar not learn from the experiences of his grandad Nebuchadnezzar?
6. See Daniel 5: 7-9. In what ways do we rely too much on human wisdom? What is the antidote to this in Proverbs 3:5-6?
7. What was Daniel's reaction to being bribed in verse 17, and how is it different in verse 29?
8. Read verses 22-24. How can we sometimes give tribute to something or someone other than God?
9. What ways does the sovereignty of God come through in this chapter? Can we apply this to current world news?
10. How is Daniel a great example of being faithful to God and truth?
