

PBC Vision Sunday
3rd January 2021

1. If you could introduce yourself in one sentence to someone who didn't know you, what would you say? Don't think too hard about it - what is your instinctive response?

2. If someone asked you: "Tell me about your church," what would be your one sentence response? What would you say we're all about?

A large graphic area with a purple border. At the top, there is a row of 11 diverse human figures in various poses and colors. Below this row is a large white rectangular box, likely intended for writing responses. At the bottom of the graphic, there is another row of 11 diverse human figures, including a person in a wheelchair. In the center of this bottom row is the Paulsgrove Baptist Church logo.

Oh, oobee doo

Talk like you, too

How has Jesus been at work to make you more like him over this past year?

Pray for PBC:

- That we would keep our focus in 'Growing lifelong disciples of Jesus Christ'
- That each person at PBC would take hold of their faith in the year ahead
- That God would guide us in terms of the shape of church life for 2021
- That we would truly be a Christian, Caring, Community of God's people
