## **Questions to think and pray through this week**

### **Pursue the treasure that lasts forever (v.19-23)**

Why is it significant that Lazarus is named in this parable?

What reminds you that God has not forgotten about you?

How does the story of the rich man and Lazarus remind us of where true riches are found?

How then, should we use what God has given us in this life?

### **Death finalises our destiny in the afterlife (v.23-26)**

How does this portrayal of heaven and hell bring home to us the contrasting experiences of people in the afterlife?

How does this warn us? How does it comfort us?

Death is the final point in someone's life that they might respond to Jesus – who are you praying for to respond to Christ before it is too late? What is your next step in helping them hear about Jesus?

### **The risen Jesus in the Bible is all we need to secure heaven (v.27-31)**

Why do you think some people consult mediums?

What do we need to respond to God and secure our eternal life?

How can we grow a love for the Bible and meet with the risen Jesus in its pages?
