Why did Jesus speak in parables?

“The knowledge of the secrets of the kingdom has been given to you” (Matthew 13:11)

- 2. What happened to the seed in each place?**

Verse 4:

Verse 5-6:

Verse 7:

Verse 8:

What does Jesus say is the meaning of this parable?

The farmer represents:

The seed represents:

The soils represent:

The path (v.19)

The rocks (v.20-21)

The thorns (v.22)

Good soil (v.23)

Things to consider over the coming week:

- Which soil were you a year ago (what was your heart response to Jesus)? What about just before lockdown? What about now?
- How might you become good soil and therefore 'produce a crop' (or more of a crop)?
- Can you think of people inside or outside of your household that you'd like to be 'good soil', and how might you help them?
