Let's bring our families before the LORD

Let's bring our church family before the LORD

Let's bring our view of sin and grace before the LORD

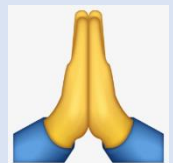

Coffee chat:

How might we as a church encourage each other to seek God's blessing in God's way during the next season?

Things to think about, discuss, and pray through:

- What features of a dysfunctional family are present in this story?
- Why didn't Isaac, Rebekah & Jacob encourage each other to trust in God's plan?
- What work of grace would you love to see God make in your family? How might you pray for this? What might you need to do or face?
- Which of our church family values do we need most help with, do you think (www.paulsgrove.org.uk/2020-vision)? Will you pray for and work towards this in this next season?

What is going on in this story of Isaac, Jacob, and Esau?

Why did Jacob trick his father?

Pray that your family would love God and love each other, trusting in Jesus together
